Subject Overview: Happy 2019! Since 2018 has come to a close, it is time to recap the authority-wide safety performance for the year. **Overall, we have recorded a 33% decrease in recordable injuries, a 40% decrease in lost time injuries, and 12% decrease in lost work days.** This signifies the best safety record in NFTA history! Thank you to each and every employee who has worked hard to make this achievement a reality. Safety success is truly a team effort and we encourage the same, if not better, results throughout 2019. Your hard work is appreciated, keep up the great work!

The following locations have demonstrated improvements of 20% or greater when compared to 2017 injury statistics:

NFTA Location	2018 Top Achievement
BNIA ARFF	No recordable injuries 2018
BNIA Airfield	Recordable injury reduction of 65%
BNIA Fuel Farm	No recordable injuries 2018
BNIA Terminal	Reduction of lost work day cases by 20%
