I PURPOSE

The purpose of this policy is to define the protocol for contact with the media.

II POLICY

The Executive Director is the designated media spokesman for the Authority on all matters pertaining to NFTA policies, plans, and decisions. If the Executive Director is unavailable, or if the media request concerns only background or statistical information the matter is to be handled by the Director of Public Affairs.

Media representatives must have prior authorization from the Director of Public Affairs prior to entering upon any Authority facility. Public access areas such as rail stations, rail cars and buses, Airports and Transportation Centers public areas are exempt.
