

#### MISSION STATEMENT

The Niagara Frontier Transportation Authority is a multi-modal entity encompassing a skilled and dedicated workforce. We are firmly committed to providing safe, efficient and professional transportation services that enhance the quality of life in the Buffalo Niagara region in a manner consistent with the needs of our customers.

**Aviation:** serves as a catalyst for economic growth by maintaining cost effective, customer oriented, efficient airports to attract and retain comprehensive and competitive air transportation services.

**Surface:** enhance the quality of life of residents and visitors by providing the highest level of safe, clean, affordable, responsive, and reliable transportation through a coordinated and convenient bus and rail system.

**Property:** manage and develop the NFTA-owned real property to optimize the generation of self-supporting discretionary revenue to support our transportation businesses while fostering economic growth.

**Support services:** proactively provide high quality, coordinated, innovative, technological, cost-effective support service solutions for our internal and external stakeholders.

### MANAGEMENT'S CERTIFICATION OF THE BUDGET AND FINANCIAL PLAN

The management of the Niagara Frontier Transportation Authority is responsible for the preparation and presentation of the Authority's budget and financial plan in accordance with Section 203.9 of 2 NYCRR. Management is also responsible for and certifies to the reasonableness of the assumptions, methods of estimation and judgment inherent in the preparation of the budget, and that these regulations have been satisfied.

Niagara Frontier Transportation Authority

Kimberley Minkel Executive Director

John T. Cox Chief Financial Officer

March 27, 2025

#### ORGANIZATION OF THE BUDGET DOCUMENT

The NFTA operating and capital budget is presented under six sections.

- The first section, Executive Summary, contains the Executive Director's Budget Message and Summary. The message outlines overall revenue projections, spending priorities, operational goals, and capital needs.
- The second section, Budget Overview, outlines the organization of the budget document and contains key revenue and expenditure indicator assumptions used to form the financial plan. Each footnoted key indicator of the summary page 1-1 corresponds to the numbered explanations of this section.
- The third through sixth sections, Surface Transportation, Aviation, Facilities & Property Group, and Central Administration Budgets, are organized by business centers and branches making up the Central Administration respectively. Included for each business center and branch is an organization chart, a line item revenue and expense consolidated cash flow surplus/(deficit) summary statement by business center or branch, a narrative, a detailed line item revenue and expense summary by cost center and capital budgets. All Central Administration branches, with the exception of EEO/Diversity Development, General Counsel, and Operations & Information Technology, include cost centers that are part of Metro reporting but, by function, belong with the branch. For legal and/or accounting purposes, these Metro cost centers must be recorded separately from the Authority. Where appropriate, the Metro portion of revenues and expenditures have been identified separately from the Authority.
- The financial net surplus/(deficit) summary statement provides FY 23-24 actuals and a comparison of the FY 24-25 budget vs the FY 25-26 budget.
- The narrative includes: the business center or support unit description, purpose, responsibilities, services, program and service objectives, key performance indicators, and key changes in operations or budgets.

- The detailed line item revenue and expense summary provides actual revenues received and expenditures for FY 23-24, the current annual budget, the FY 24-25 February year-to-date actuals, the FY 25-26 recommended budget, and the variance from the prior budget.
- Capital budgets follow each business center.

#### SUMMARY OF REVENUES AND EXPENDITURES

The NFTA consolidated operating budget is prepared on a basis that parallels the NFTA's accounting systems. Budget summaries are prepared by grouping categories of revenues and expenditures under meaningful headings designated as business centers. Financial statements are prepared using the accrual basis of accounting. The financials of the NFTA are prepared in conformity with the governmental accounting and financial reporting principles of the Governmental Accounting Standards Board.

The financial transactions of the NFTA are accounted for under two enterprise funds, which are titled the Authority and Metro. The Authority includes the activities of transportation centers, airports, various properties/facilities, and related administrative support. Metro includes all the activities of the bus/paratransit and rail system. The operating budget is organized on a departmental basis within these two funds and is oriented for expenditure control and accountability.

# Executive Summary

### **NIAGARA FRONTIER** TRANSPORTATION AUTHORITY

TO:

NFTA Board of Commissioners

FROM:

Kimberley A. Minkel

**Executive Director** 

SUBJECT: NFTA FY 2025-26

Operating and Capital Budget

Presented herein and in the accompanying documents is a balanced operating and capital budget for the NFTA's fiscal year beginning April 1, 2025 and ending March 31, 2026.

The Authority is projecting operating income for FYE 26 of \$15.1 million, offset by capital spending of \$44.8 million and nonoperating revenues totaling \$29.7 million. This is a balanced budget that does not increase transit fares or significantly impact service.

### **Operating Revenues**

Consolidated FYE 26 revenues of \$135,961k, are \$1,559k, or 1.1%, below FYE 25. This decrease is attributable to lower Buffalo Niagara International Airport (BNIA) and Transportation Centers revenues, partially offset by higher Niagara Frontier Transit Metro, Inc. (Metro), Niagara Falls International Airport (NFIA) and Property Development revenues.

NFTA operating revenues of \$106,005k are \$2,503k, or 2.3%, below FYE 25. NFTA revenues are generated from four business BNIA, NFIA, Transportation Centers (Metropolitan centers: Transportation Center [MTC] and Niagara Falls International Transportation Center [NFITC]), and Property Development. BNIA and Transportation Centers are decreasing \$2,826k and \$15k, respectively, while NFIA and Property Development are increasing \$141k and \$197k, respectively.

Metro operating revenues of \$29,956k are \$943k, or 3.3%, above FYE 25. Metro operating revenues are generated from two sources: farebox and advertising on our buses, stations, and bus shelters.

### **Operating Expenses**

Consolidated FYE 26 operating expenses of \$273,781k, are \$4,897k, or 1.8%, above FYE 25. Several factors contribute to the increase:

- NFTA/Metro Personnel Services is increasing \$2,171k, or 1.1%, due to non-represented and contractual salary increases and higher employee benefits.
- NFTA/Metro Maintenance & Repairs is decreasing \$1,698k, or 5.2%, as the FYE 26 budget includes lower BNIA baggage maintenance expenses, partially offset by higher Metro revenue vehicle maintenance and facility costs.
- NFTA/Metro Insurance & Injuries is \$2,190k, or 25.2% above FYE 25, as higher anticipated insurance premiums contribute to the variance.
- NFTA/Metro General Business/Other is increasing \$2,016k, or 4.7%, as a result of higher Metro outside service costs, and Central Admin outside service costs and general office expenses.

### **Operating Assistance**

Operating assistance provided by federal, state, and local governments for Metro operations of \$152,709k is \$55,363k, or 26.6%, below FYE 25.

Total Federal assistance of \$20,472k is \$65,210k, or 76.1%, below FYE 25 levels, primarily due to the remaining COVID-19 relief funds being recognized in FYE 25. Also included is \$175k for miscellaneous Federal grants for operations in our Executive branch (Transit Authority Police Department).

New York State Operating Assistance (STOA) is increasing by \$5,465k, or 6.4%.

|  | $\frac{\text{FYE 25}}{(000'\text{s})}$ | $\frac{\text{FYE 26}}{(000'\text{s})}$ |
|--|--|--|
| STOA:  |  |  |
| <ul> <li>General Fund Section<br/>18(b) (requires local match)</li> <li>Public Transportation Operation</li> </ul> | 4,100                                  | 4,100                                  |
| Assistance Funds<br>TOTAL  | \$82,317                               | \$83,633<br>\$87,733                   |
| Additional State Operating Assistance:   |  |  |
| <ul> <li>Miscellaneous Other Grants</li> <li>TOTAL STATE OPERATING</li> <li>ASSISTANCE</li> </ul>                  | \$2,472<br><b>\$84,789</b>             | \$2,521<br><b>\$90,254</b>             |

Local operating assistance remains \$42,158k, reflecting recent trends and projections.

### **Non-operating Items**

The FYE 26 budget includes \$5,917k in BNIA net debt service and operating reserves related to the Buffalo Niagara International Airport Improvement Program (AIP).

#### **Capital Expenditures**

The NFTA's commitment to protecting its existing assets and investing in the future of Western New York is evidenced in the proposed capital plan. The total amount for capital projects projected for FYE 26 is \$294.0 million. The total NFTA equity share of our fiscally constrained capital plan is \$44.8 million.

### **NFTA BUSINESS CENTERS**

The NFTA's business centers are organized into three strategic business units. The Surface Transportation Group consists of Metro. The Aviation Group includes the Buffalo Niagara International Airport and the Niagara Falls International Airport. The Facilities and Property Group includes the Transportation Centers and is responsible for the planning and management of the non-transportation property assets of the NFTA.

In addition to establishing program and service objectives, which define the level of planned achievements, activities, and management direction, each business center has been charged with developing key performance indicators for FYE 26. These key performance indicators are included in the detailed business center section. Our goal is to tie future operating revenue projections, expenditure allocations, and capital needs to performance as represented by these indicators.

### **Surface Transportation Group**

### Metro

Niagara Frontier Transit Metro System, Inc. provides bus and rail transportation services within Erie and Niagara Counties. It is also responsible for providing the paratransit service mandated by the Americans with Disabilities Act. Metro is the NFTA's largest business center and, due to the public service nature of its operations, it receives operating assistance from federal, state, and local governments.

FYE 26 operating revenues of \$29,956k, are \$943k, or 3.3%, above FYE 25. FYE 26 passenger fares are increasing \$1,152k, or 4.1%, as we estimate ridership recovery from the impact of the COVID-19 pandemic to continue. Advertising revenue is \$955k for FYE 26, which is \$206k, or 17.8%, below FYE 25, reflective of recent trends.

FYE 26 fully allocated expenses of \$191,711k, are \$5,143k, or 2.8%, above FYE 25. Personnel Services are \$1,007k, or 0.9%, below FYE 25, reflective of our FYE 25 forecast and recent trends. Maintenance & Repairs are \$810k, or 6.3%, above FYE 25 due to higher revenue vehicle maintenance and facility costs. Transit Fuel/Power is increasing \$469k, or 7.9%, as FYE 26 includes higher power costs for our electric bus fleet and gasoline costs. We anticipate our #2 ULSD

market diesel fuel to average \$3.40/gallon. The FYE 25 budget included market diesel fuel to also average \$3.40/gallon. The rail traction portion of Transit Fuel/Power is \$647k, which is \$144k above FYE 25. Insurance & Injuries are \$1,922k, or 30.6%, above FYE 25 as higher insurance premiums contribute to the variance. Operations & Technology are \$1,102k, or 22.6%, above FYE 25 due to higher MIS network equipment/maintenance/security costs and software license expenses. General Business/Other is \$484k, or 2.1%, above FYE 25 due to higher Metro support staff non-represented and contractual salaries and fringe costs, and outside service costs.

FYE 26 capital: NFTA funding \$15,150k, grant funding \$169,705k, 88c funding \$21,895k, other funding \$1,375k. Major projects include DL&W Terminal 2<sup>nd</sup> Floor Core/Shell/Bridge - \$42,088k, Metro Transit Expansion - \$21,858k, Bailey Corridor BRT - \$22,000k, New Buses - \$19,629k, DL&W Shoreline Rehab - \$8,034k.

### **Aviation Group**

### Buffalo Niagara International Airport

Buffalo Niagara International Airport is the primary commercial service airport for Erie and Niagara Counties. As such, it is a major element of the Niagara Frontier's transportation infrastructure as well as being an airline passenger's first impression of the local community. An airport improvement program has significantly upgraded the gateway image of the airport and provides the community with quality air transportation.

FYE 26 operating revenues of \$96,726k are \$2,826k, or 2.8%, below FYE 25. Operating and financing costs are factored into compensatory airline billings through our Airport Fees & Services and Rental Income. Airport Fees & Services are decreasing \$166k, or 0.5%, due to lower cost compensatory billings to our airlines reflective of decreasing direct landing area expenses. Rental Income is \$100k, or 0.5%, below FYE 25 due to lower signatory compensatory airline billings as a result of a decrease in direct terminal expenses. Concessions/Commissions are decreasing \$269k, or 0.7%, as the FYE 26 budget includes lower parking lot/ramp and other concession revenues based on recent trends. Other operating revenues are \$2,440k, or 39.3%, below FYE 25 due to lower airline billings as a result of a decrease in baggage maintenance expenses.

FYE 26 fully allocated expenses of \$65,079k are \$289k, or 0.4%, below FYE 25. Personnel Services are \$697k, or 3.9%, above FYE 25, reflective of an increase in non-represented and contractual salaries and fringe benefit costs. Maintenance & Repairs are \$2,711k, or 16.2%, below FYE 25 as lower baggage maintenance and landscaping expenses contribute to the decrease. Insurance & Injuries are \$100k, or 7.5%, above FYE 25 as the FYE 26 budget anticipates increases in claim loss reserves and insurance premiums. Operations & Technology are \$852k, or 22.6%, above FYE 25 due to higher MIS network equipment/maintenance/security costs and software license expenses. General Business/Other is increasing \$257k, or 3.6%, due to higher outside service costs and advertising expenses.

Non-operating items are decreasing \$8,957k, or 57.2%, to \$6,702k, as the FYE 26 budget anticipates lower funds allocated to Airport Development Fund (ADF) account and higher interest income.

FYE 26 capital: NFTA restricted/reserve funding \$15,435k, grant funding \$26,830k, PFC funding \$13,855k, other funding \$2,550k. Major projects include Terminal HVAC Replacement - \$14,759k, Taxiway A Improvements - \$14,117k, Luiz Kahl Parkway Rehab - \$6,537k, Passenger Boarding Bridge Replacement - \$5,287k Snow Equipment Storage Building - \$2,444k.

### Niagara Falls International Airport

Niagara Falls International Airport is a joint-use military/general aviation airport that currently provides general aviation and air cargo service. The airport provides an economic boost to the entire region and stimulates local business activity.

FYE 26 revenues of \$1,938k are \$141k, or 7.8%, above FYE 25 due to higher rental income, auto rental and other concession/commission revenues.

FYE 26 fully allocated expenses of \$7,495k are \$243k, or 3.3%, above FYE 25. Personnel Services are \$55k, or 3.0%, above FYE 25, reflecting recent trends and NFIA needs. Insurance & Injuries are \$22k, or 4.5%, above FYE 25 as the FYE 26 budget anticipates an increase in insurance premiums. Operations & Technology are \$194k, or 22.6%, above FYE 25 due to higher MIS network equipment/maintenance/security costs and software license expenses. General Business/Other is \$27k, or 5.5%, below FYE 25 as lower

outside service costs and advertising expenses contribute to the decrease.

FYE 26 capital: NFTA restricted/reserved funding \$165k, grant funding \$11,339k, PFC funding \$850k, other funding \$51k. Major projects include Taxiway D Realignment & Extension - \$5,900k, Parallel Taxiway Program - \$3,896k, Tower Siting - \$1,950k, Replace Two Loaders - \$350k.

### **Facilities & Property Group**

### **Transportation Centers**

The Transportation Centers business center manages the Metropolitan Transportation Center (MTC) bus terminal and the light rail facilities in Buffalo, and the Niagara Falls International Transportation Center (NFITC) operation in Niagara Falls.

FYE 26 revenues of \$2,841k are \$15k, or 0.5%, below FYE 25 due to lower concessions/commissions revenue.

FYE 26 fully allocated expenses of \$4,607k are \$10k, or 0.2%, above FYE 25. Personnel Services are \$51k, or 3.1%, above FYE 25, reflective of an increase in non-represented and contractual salaries and fringe benefit costs. Operations & Technology are \$114k, or 22.6%, above FYE 25 due to higher MIS network equipment/maintenance/security costs and software license expenses.

FYE 26 capital: NFTA funding \$2,622k, 88c funding \$400k. Major projects include Portage Road Transit Center Parking Lot - \$520k, MTC Exterior Facade Replacement - \$359k, MTC Window Replacement - \$359k, MTC Roof Replacement - \$267k.

### **Property Development**

The Property Development business center is responsible for planning and management of the non-transportation property assets of the NFTA. Its mission is to maximize the financial return to the Authority on its non-public transportation assets while improving and preserving the physical integrity of those buildings and grounds.

FYE 26 operating revenues of \$4,500k are \$197k, or 4.6%, above FYE 25, due to higher rental income based on recent lease/vacancy forecasts.

FYE 26 fully allocated expenses of \$4,714k are \$332k, or 7.6%, above FYE 25. Insurance & Injuries are \$29k, or 14.4%, above FYE 25 as the FYE 26 budget anticipates an increase in insurance premiums. Operations & Technology are \$240k, or 22.6%, above FYE 25 due to higher MIS network equipment/maintenance/security costs and software license expenses.

FYE 26 capital: NFTA funding \$2,345k. Major projects include 485 Cayuga Bay 1,2,3,4,5 Roof Rehab - \$840k, 485 Cayuga New Elevator - \$300k, 485 Cayuga Parking Lot Upgrades - \$150k.

### **SUPPORT SERVICES**

The support service branches include Executive, EEO/Diversity Development, General Counsel, Engineering, Operations & Information Technology, Public Affairs, Human Resources, and Finance & Administration.

The support services are intended to assist the business centers in meeting their goals in such areas as revenue enhancement, upgrading employee skills, and market research and planning. The expenses of these support services are charged to the business centers to the extent they are utilized. A full cost allocation plan has been implemented which distributes NFTA central administration expenses and capital costs to each business unit. Our long-range goal is to provide these support services more efficiently, thereby reducing costs to the business centers.

Each department of each support branch has also been charged with developing key performance indicators along with their level of program and service objectives for supporting the transportation business centers. As with the business centers, it is the intent to link operating budget needs to the level of support required.

### **Central Administration**

FYE 26 expenses of \$17,768k, net of operating assistance, are \$426k, or 2.5%, above FYE 25 mainly due to anticipated increases in non-represented and contractual salaries and higher fringe costs.

FYE 26 capital: NFTA funding \$9,055k, 88c funding \$293k, other funding \$56k. Major projects include MIS ERP-EAM Finance Replacement - \$3,000k, TAPD Police Vehicles - \$717k, Electronic Records Management Project (Digitization/Software) - \$500k, TAPD Enhanced Digital Access Communication System - \$244k.

### **PERSONNEL ISSUES**

Providing transportation services is notably labor-intensive and personnel costs account for approximately three-quarters of all operating expenses. Managing costs, therefore, to a great extent means managing human resources.

Providing multi-modal transportation services to our two-county service territory from nine locations requires a diverse group of employees. NFTA employees belong to thirteen collective bargaining units representing responsibilities ranging from public safety to bus operators, from clerical to maintenance. Both pay rates and work rules are set by union agreement. Authority initiatives to stabilize employee expenses have been realized as all labor contract agreements contain employee contributions for medical expenses.

### **General Assumptions**

General assumptions in our personnel services for FYE 26 are the following:

- Union cost increases are reflective of labor agreements.
- Union cost increases on expired contracts based on submitted proposals.
- Metro fringe benefit rate at 72.0% for FYE 26; FYE 25 was 79.0%.
- NFTA fringe benefit rate at 57.0% for FYE 26 and FYE 25.

#### **Benefit Costs**

A major component of employee costs is the legally or contractually obligated benefits for employees.

- Increase in NFTA/Metro health insurance costs of 5.0%, consistent with our FYE 25 forecast and recent trends.
- NFTA/Metro's pension costs are increasing by 3.0%.
- Safety and control of workers' compensation incidents are a high priority. A Health, Safety, and Environmental team, along with a workers' compensation department,

- help to manage our workers' compensation cases. Workers' compensation costs are anticipated to increase by 10.0%.
- As a self-insured provider of disability benefits, we can limit financial exposure by increasing the general health of our employees. Our wellness program provides blood pressure screening, cholesterol testing, weight loss clinics, and smoking cessation programs.

#### Overtime

The FYE 26 overtime budget is anticipated at \$10,835k, an increase of \$568k, or 5.5%, from FYE 25, primarily due to an increase in Metro, BNIA, NFIA and police costs, consistent with recent trends.

### **CAPITAL BUDGET**

The NFTA does not generate enough revenue to cover operating costs as well as a full capital program. Of our total FYE 26 fiscally constrained capital budget of \$293,972k, 60.6% comes from federal or state funding agencies, such as Federal Transit Administration (FTA), Federal Aviation Administration (FAA), and the New York State Department of Transportation (NYSDOT), reflecting government's ongoing investment in transportation. Another 7.7%, earmarked for Metro rail operations, is funded through our 88c program, while 5.0% comes from Passenger Facility Charges (PFC) to help with capital needs at our Buffalo Niagara International and Niagara Falls International Airports.

### **<u>AUTHORITY REVENUE ASSUMPTIONS</u>** (Footnote Numbers From Page 1-1)

#### 2. AIRPORT FEES & SERVICES

Airport Fees & Services revenue comprises 32.1% of total Buffalo Niagara International Airport Revenues and are decreasing \$166k, or 0.5%, due to lower cost compensatory billings to our airlines reflective of decreasing direct expenses. Airport Fees & Services are also a source of revenue at our Niagara Falls International Airport and comprise 5.0% of total revenues at that airport. They are increasing \$4k, or 4.8%, as a result of recent trends and anticipated enplanements. Combined, this source of revenue is projected at 29.4% of all Authority FYE 26 revenues.

The BNIA landing fee rate is calculated on a cost recovery formula based on budgeted expenses applied to gross landing weight. In addition to budgeted expenses, the FYE 26 landing fee rate reflects signatory airline billings for debt service and operating reserves under the 2014 and 2019 Airport Revenue Bonds.

#### 3. RENTAL INCOME

Building space and other rentals are a source of revenue for each of the Authority business centers. These are space and land occupancy fees charged to tenants. BNIA Rental Income is \$100k, or 0.5%, below FYE 25 due to lower signatory compensatory airline billings as a result of a decrease in direct expenses. NFIA Rental Income is increasing by \$69k, or 22.8%, resulting from higher building space rent. Transportation Centers Rental Income is \$7k, or 0.3%, above FYE 25, consistent with recent trends. Property Development Rental Income is \$195k, or 4.6%, above FYE 25, based on recent lease/vacancy forecasts.

#### 4. CONCESSIONS/COMMISSIONS

The fees charged to tenants for the right to sell their goods and services to the public or to use NFTA premises to sell their products is a source of revenue for most business centers. These types of services and products range from parking lot services and car rental services to food and beverage sales. BNIA Concessions/Commissions are decreasing \$269k, or 0.7%, as the FYE 26 budget includes lower parking lot/ramp and other concession revenues based on recent trends.

NFIA is \$70k, or 5.6%, above FYE 25 due to higher auto rental and other concession/commission revenues.

#### 5. RESALES & REBILLINGS

The charges to customers for their share of utility usage and fuel farm services are categorized as resales & rebillings. BNIA is increasing \$149k, or 8.7%, more in line with our FYE 25 forecast and recent trends.

#### 6. OTHER OPERATING REVENUES

The primary source of this revenue is direct billing to our BNIA airlines for the baggage handling system. BNIA is decreasing \$2,440k, or 39.3%, as we anticipate lower baggage maintenance billings.

### **METRO REVENUE ASSUMPTIONS**

(Footnote Numbers From Page 1-1)

#### 1. PASSENGER FARES

Total passenger fares for FYE 26 are expected to increase \$1,152k, or 4.1%, to \$28,952k, as we estimate ridership to continue to rebound from the impact of the COVID-19 pandemic.

#### 6. OTHER OPERATING REVENUES

This consists chiefly of the receipts from bus and rail advertising, which contributes to the decrease of \$209k, or 17.2%, from FYE 25, based on recent trends.

### **OPERATING ASSISTANCE**

(Footnote Numbers From Page 1-1)

### 7. - 10. LOCAL OPERATING ASSISTANCE

Total anticipated local operating assistance for FYE 26 is \$42,158k, and is comprised of the following:

|                               | FYE 26<br>(000's)    |
|-------------------------------|----------------------|
| Erie County Sales Tax         | \$27,741             |
| Mortgage Recording Tax        | 10,117               |
| Erie County match to 18(b)    | 3,657                |
| Niagara County match to 18(b) | 443                  |
| Peace Bridge                  | <u>200</u>           |
| <b>5</b>                      | $$42,\overline{158}$ |

### 11. – 15. STATE OPERATING ASSISTANCE

New York State operating assistance includes funding primarily for our Metro operations made available through the Public Transportation Operation Assistance Fund and miscellaneous other grants.

|  | FYE 26<br>(000's)        |
|--|--------------------------|
| Public Transportation Operation Assistance Funds<br>General Fund Section 18(b) | \$83,633<br>4,100        |
| Miscellaneous Other Grants   | 2,521<br><b>\$90,254</b> |

By mandate, Section 18(b) funding is matched by Erie and Niagara Counties (see Local Operating Assistance).

### 16. - 23. FEDERAL OPERATING ASSISTANCE

Total Federal assistance of \$20,472k is \$65,210k, or 76.1%, below FYE 25 levels, primarily due to the remaining COVID-19 relief funds being recognized in FYE 25.

### **KEY EXPENDITURE ASSUMPTIONS** (Footnote Numbers From Page 1-2)

Key expenditure indicators can be summarized on an NFTA/Metro consolidated basis since the characteristics of the expenditures are similar to each fund.

### 24. PERSONNEL SERVICES

### Salaries

FYE 26 includes union cost increases reflective of labor agreements and increases on expired contracts based on submitted proposals.

### Benefits

Paid employee benefits are budgeted at 57.0% of salaries for Authority employees and 72.0% of salaries for Metro employees. Fringe benefits are calculated for all NFTA employees in accordance with the various collective bargaining agreements and/or government mandates. Those paid benefits are as follows:

### **Pensions**

All Authority employees are eligible for membership in the New York State & Local Retirement System (NYSLRS). Employees who joined the system before July 23, 1976, or joined after July 23, 1976 with ten years of credited service, and the Transit Police are in a non-contributory plan. Employees who joined after July 23, 1976 with fewer than ten years of credited service (except Tier V) and belong to Tier III, Tier IV, or Tier V, are required to contribute 3% of their compensation to the plan. Employees who joined after April 1, 2012, are Tier VI members and are required to contribute between 3% and 6% of their compensation to the plan, based on salary level, for all years of

service. Authority contribution is estimated to be 19.0% of employee compensation for FYE 26. NFTA/Metro pension amounts factor in early retirement incentive costs, and are 3.0% above FYE 25.

All full-time Metro employees who are union members are covered by a contributory single employer-defined contribution pension plan. All full-time Metro employees contribute 5% of their pay to the plan, while the current Metro contribution is 11%.

### Social Security Tax

NFTA/Metro's contribution to the Federal Social Security System is calculated using an effective rate of 7.65% of salaries. Salaries above the "Maximum Taxable Earnings" as set by the Social Security Administration are subject to the 1.45% Medicare portion of FICA only.

### Workers' Compensation

NFTA/Metro is self-insured for workers' compensation coverage. The appropriation for the expense provides funding for medical and indemnity payments, mandated state assessments, administration fees, and third-party administrator fees. A workers' compensation team within the Risk Management Department helps manage our workers' compensation cases. Workers' compensation costs are increasing by 10.0%.

### Medical and Hospitalization Insurance

Our FYE 26 budget anticipates an increase of 5.0%, consistent with our FYE 25 forecast and recent trends.

### **Dental Insurance**

Dental insurance is provided through Emblem Health. The FYE 26 budget for this is based on current rates per covered payroll and adjusted for a possible rate increase during the fiscal year.

### **Unemployment Insurance**

Financial exposure results if unemployment costs are not controlled. The NFTA is self-insured for unemployment insurance. The FYE 26 budget is based on historical experience factored with our FYE 25 estimated costs.

### Group Life Insurance

All Metro employees and non-union Authority employees are provided group life insurance. All Authority employees who fall under the New York State retirement system are provided basic life insurance coverage through that plan. The FYE 26 budget for group life insurance is based on current rates per covered payroll and adjusted for a possible rate increase during the fiscal year.

### **Disability Insurance**

The NFTA is self-insured for disability benefits. The FYE 26 budget for disability benefits expenses is based on historical experience factored with the 2025 payment structure.

### **Long-Term Disability Insurance**

All non-represented employees are provided with long-term disability insurance. The FYE 26 budget for this coverage is based on current rates per covered payroll and adjusted for a possible rate increase during the fiscal year.

### 25. MAINTENANCE & REPAIRS

The routine expense of maintenance and operation of NFTA/Metro's buildings and property, equipment, and revenue and non-revenue vehicles comprise 10.6% of the total NFTA/Metro FYE 26 budget. Total FYE 26 costs of \$30,670k are \$1,698k, or 5.2%, below FYE 25. Metro's expenses are increasing by \$810k, or 6.3%, as the FYE 26 budget includes higher revenue vehicle maintenance and facility costs. BNIA's expenses are decreasing by \$2,711k, or 16.2%,

as lower baggage maintenance and landscaping expenses contribute to the decrease.

### 26. TRANSIT FUEL/POWER

Diesel, electricity, and compressed natural gas to run buses and electric power to run the rail cars comprise 3.5% of the total Metro budget. Total FYE 26 costs of \$6,401k are \$469k, or 7.9%, above FYE 25, as we anticipate our #2 ULSD market diesel fuel to average \$3.40/gallon. The FYE 25 budget included market diesel fuel to also average \$3.40/gallon. The rail traction portion of Transit Fuel/Power is \$647k, which is \$144k above FYE 25.

### 27. UTILITIES

FYE 26 utilities of \$6,533k are \$67k, or 1.0%, above FYE 25. This increase is based on higher electric billings, consistent with recent trends and consultant input.

### 28. INSURANCE & INJURIES

NFTA/Metro purchases property insurance and then assumes the liability for most risks, including personal injury claims. NFTA also purchases insurance for most risks, such as airport liability, excess liability, police professional liability and property, and is self-insured for public property damage and personal injury at our Transportation Centers.

The Insurance & Injuries category records the expense of investigation and settlement of annual routine claims as well as the cost of purchased insurance. The overall increase is \$2,190k, or 25.2%, to \$10,869k.

### 29. SAFETY & SECURITY

The Authority provides secondary security services through an outside service that provides support at Buffalo Niagara International Airport, Niagara Falls International Airport and guard service at our Metro bus garage and rail yard locations. FYE 26 costs of \$2,479k are \$107k, or 4.5%, above FYE 25.

### 30. OPERATIONS & TECHNOLOGY

This consists chiefly of information technology services (MIS). The FYE 26 expenses of \$13,601k are \$2,503k, or 22.6%, above FYE 25 as higher MIS network equipment/maintenance/security costs and software license expenses contribute to the increase.

### 31. GENERAL BUSINESS/OTHER

General business expenses include non-employee services, communications, office supplies, business travel, consultant fees, bad debts, airport parking operating costs, management fees, employee training, and advertising. FYE 26 costs of \$44,622k are \$2,016k, or 4.7%, above FYE 25. Metro's expenses are increasing \$484k, or 2.1%, due to higher Metro support staff non-represented and contractual salaries and fringe costs, and outside service costs. BNIA's expenses are \$257k, or 3.6%, above FYE 25 due to higher outside service costs and advertising expenses. Central administration expenses are increasing by \$1,297k, or 10.5%, as FYE 26 includes higher outside service costs and general office expenses.

## **32.** ADMINISTRATIVE COST REALLOCATION - ADMINISTRATIVE COSTS

The current administrative cost allocation formula is as follows:

| Metro                  | 44.04%         |
|------------------------|----------------|
| BNIA                   | 34.05%         |
| NFIA                   | 7.77%          |
| Transportation Centers | 4.55%          |
| Property Development   | <u>9.59%</u>   |
| TOTAL                  | <u>100.00%</u> |

### 33. ADMINISTRATIVE COST REALLOCATION - POLICE COSTS

The Authority maintains a Transit Authority Police Department (TAPD) that provides proactive security for all NFTA/Metro facilities. The oversight responsibility for the TAPD rests within the Executive Branch. For accounting purposes, this unit is recorded in Central Administration on the appropriate expense lines. To the extent that costs are incurred in support of Metro, BNIA, NFIA, or Transportation

Centers, those business centers absorb the appropriate costs in the Safety & Security category. The costs of these services are reimbursed to Central Administration on the Inter Division Reimbursement line.

FYE 26 police costs are increasing by \$1,167k, or 7.3%, due to higher non-represented and contractual salaries and fringe benefit costs, automotive expenses and insurance premiums.

### 34. COSTS TRANSFERRED TO CAPITAL PROJECTS

The Authority receives capital grants from FTA, FAA, and New York State for procurement and construction of major assets to support operations. As staff time commitments and administrative expenses related to these non-operating projects accumulate, the Authority's operating expenses are equally offset by the project funding. FYE 26 Direct Costs Transferred to Capital Projects of \$1,783k are decreasing \$112k, or 5.9%, reflective of recent trends of Engineering personnel costs allocated to projects.

### 35. INTER DIVISION REIMBURSEMENT

The Authority accounts for specific functions and services of staff that can be directly expensed to other divisions and units. This results in an offset to the appropriate departments on a separate reimbursement line. FYE 26 Inter Division Reimbursement of \$49,635k is \$4,208k, or 9.3%, above FYE 25, as higher non-represented and contractual salaries and fringe benefit costs contribute to the variance.

### 36. BOND DEBT SERVICE

This refers to the debt service under the 2014 & 2019 Airport Revenue Bonds.

### 37. INTEREST/OTHER

Net interest income on Metro deposits and interest expense related to the Metro line of credit.

### 38. OPERATING REVENUE RESERVE – PASSENGER FARES

Revenue reserves to address ongoing erosion of passenger fares.

### 39. SIF RESERVE FUNDING

Self-insurance fund (SIF) reserves became fully funded in FYE 25 based on the current estimated liability.

### 40. METRO CAPITAL RESERVE FUNDING

Usage of reserves established in FYE 25 to address funding of Metro capital projects.

### 41. OPERATING EXPENSE RESERVE

The operating reserve of \$439k represents the amount needed to maintain our two-month BNIA operating expense reserve fund as outlined in the bond resolution.

### **42. INVESTMENT IN ADF (NET)**

Allocation of funds to the Airport Development Fund (ADF) account.

### 43. INTEREST INCOME

Interest income on NFTA deposits, primarily BNIA-related.

### 44. PFC

Passenger Facility Charges (PFC) are a funding source of the Airport Improvement Program (AIP) and are used to offset BNIA debt service.

### **45. PROPERTY ACQUISITION**

\$225k represents the annual installment by the Erie Canal Harbor Development Corporation for the purchase of the Port Terminal complex from NFTA.

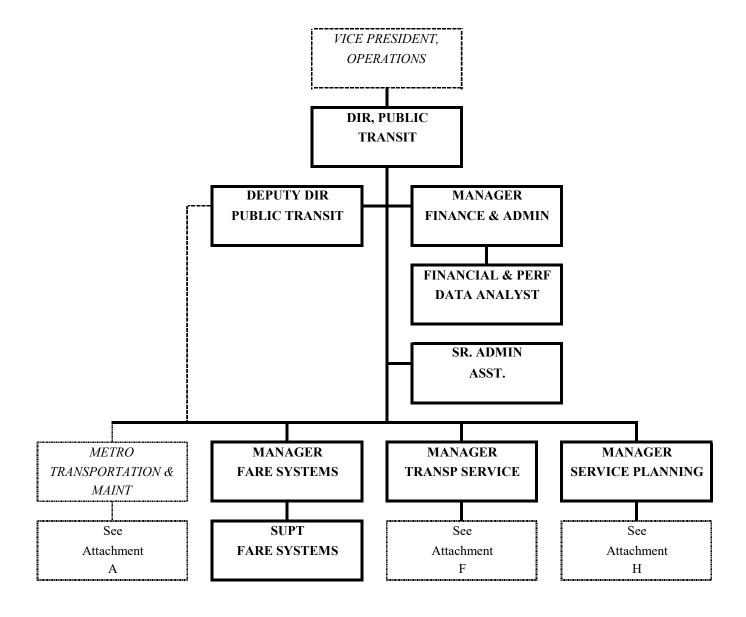

### 46. DIRECT CAPITAL

This is the NFTA equity-funded portion of our projected FYE 26 capital plan.

### **SURFACE TRANSPORTATION**

### **DESCRIPTION**

The Surface Transportation Business Unit oversees all ground-based transportation services operated and provided by the NFTA, including fixed-route bus and rail routes, paratransit, other non-traditional transit services, and intercity bus terminals in Buffalo and Niagara Falls. Surface Transportation units include Metro (fixed-route bus and rail services), Marketing (promotion of transportation services), Service Planning (route and schedule development), Special Services (Paratransit PAL for passengers with disabilities), Transportation Centers (management of bus terminals and Central Services), and Customer Service (passenger support and assistance).

Our mission is to enhance the quality of life for residents and visitors by providing safe, clean, affordable, responsive, and reliable transportation through a coordinated and convenient bus and rail system. Our vision is to foster effective partnerships with public and private entities, continuously improving transportation services to support regional growth. The range of mobility services we provide includes traditional bus and rail lines, circulator routes, employer shuttles, paratransit, bicycle programs, and pedestrian enhancements. Ultimately, our goal is to achieve a reputation as the highest-quality transit system in New York.

### **1.0 METRO**

Metro provides comprehensive fixed-route urban and suburban public transportation services within the Erie and Niagara County service area. Metro's 261 fixed-route big buses, 79 Paratransit PAL vans and 27 rail cars operate up to 21 hours per day, seven days per week, to serve residents of the Buffalo-Niagara Metropolitan Area. There are 53 bus routes on which Metro operates nearly 8.7 million annual bus miles, and one rail route on which 705,143 annual car miles are operated. Each weekday, Metro carries approximately 52,000 passengers on buses and trains. In FYE 24, 15.5 million customers used Metro.

Metro consists of two operating divisions, Bus and Rail. Metro Bus consists of three operating locations and two units including Bus

Transportation Service and Bus Maintenance. Metro Rail encompasses one operating location and two units including Rail Transportation Service and Rail Maintenance. In addition, the Transportation Support department is included within Metro. There are 1,169 budgeted positions in these units.

It is the primary responsibility of each operating location to provide service to the public as scheduled. This involves managing a properly trained workforce of transportation and maintenance professionals of an adequate, cost-effective size; monitoring and enhancing the quality of service; and adjusting service as required to accommodate service needs.

The Transportation Service Departments in the Bus and Rail divisions are responsible for supervising transit service and control center operations. Their functions include the continuous monitoring of service delivery with corrective action when problems occur, responding to emergencies, providing service to special events, coordinating transit service with construction projects, and communicating with operators and maintenance personnel.

Major Bus Maintenance activities are performed at the Cold Spring Shop. These activities include major component change-outs, bodywork, painting, engine and transmission rebuilding, parts reconditioning, and structural repairs. Additional responsibilities include radio maintenance, farebox maintenance, and maintaining bus garage facilities, bus stop signs, and bus loops.

Maintenance of the rail physical infrastructure is the responsibility of Metro Rail Maintenance. Critical physical plant elements requiring a high level of ongoing maintenance include the track, communications systems, fare collection system, ventilation system, train control system, electrical distribution system, and the stations and tunnels.

The Transportation Support Department oversees new operator training, the bus communications system, and the issuance of system operating notices.

### 2.0 **SERVICE PLANNING**

The Service Planning function ensures that convenient, cost-effective transit services meet public mobility needs. This is achieved through a dynamic process of continuously measuring and estimating ridership demand, then creating schedules to efficiently meet that demand. Service Planning also monitors and evaluates Metro's ridership and route performance statistics.

### **SPECIAL SERVICES**

Metro's Special Services unit directs complementary paratransit service (PAL) as mandated by the Americans with Disabilities Act (ADA). PAL assists individuals unable to use Metro's regular, fully accessible bus and rail system. Additionally, this unit manages MetroLink and various non-traditional transportation services, including airport shuttles, college circulators, vanpools, and employer shuttles, which are provided either directly by Metro or through agreements with private providers and outside agencies. The unit also oversees Metro's reduced fare program, allowing seniors and people with disabilities to ride at a discounted rate.

### **TRANSPORTATION CENTERS**

The Transportation Centers unit is responsible for maintaining the Metropolitan Transportation Center, including the NFTA corporate offices at 181 Ellicott Street in Buffalo, the Transportation Centers in Niagara Falls, the Operations Control Center, and the Transit Police Headquarters. This department provides building maintenance and janitorial services to ensure a clean, comfortable, and safe environment for both NFTA employees and the traveling public. Additionally, the unit monitors and provides services for tenants across various facilities.

### 3.0 CUSTOMER CARE

The Customer Care department plays a vital role in delivering high-quality bus and rail information to the public. This is accomplished through a customized automated telephone information system (IVR) and an automated trip planner (ATIS), both accessible via the NFTA website. Annually, the department handles nearly 56,754 calls,

reflecting its significant engagement with the community. The automated trip planner, used by both agents and customers, facilitates the planning of over 9,326 trips per month, while the automated system provided critical information to riders over 111,908 times during 2024/25. In addition to offering trip planning assistance and resolving customer complaints, the department manages the Emergency Ride Home Program, underscoring its commitment to customer service and support.

### **KEY POINTS**

- Paratransit Access Line Study
- Bailey Avenue Bus Rapid Transit
- Continued rail station improvements including elevator and escalator upgrades (Church St.).
- Enhance customer amenities with Real Time Information Next Bus, Interactive Voice Response, and Bus Shelters.
- Advance service and station expansion design/construction and funding opportunities involving both DL&W and Amherst-Buffalo Corridor.
- Further pursue funding for Electric Bus Charging Station Construction and Fleet Procurement.
- Citizens Advisory Committee (CAC) ongoing
- Additional Bus Stop Balancing

### PROGRAM AND SERVICE OBJECTIVES

- Maintain and enhance on-time performance to reduce service interruptions.
- Implement workforce retention and targeted hiring initiatives.
- Strengthen customer safety and security through dedicated campaigns.
- Reduce the number of recordable accidents and cases involving days away.
- Increase the employee attendance rate through proactive measures.
- Continue optimizing efficiency and accessibility of paratransit services.
- Expand MTC and NFITC revenue opportunities with enhanced advertising and vendor partnerships.

• Further improve productivity and cost-effectiveness across all Metro services.

#### **BUFFALO NIAGARA INTERNATIONAL AIRPORT**

#### **DESCRIPTION**

The Buffalo Niagara International Airport (BNIA) is the primary commercial air service airport for Western New York and Southern Ontario. BNIA provides safe, high quality, and reliable scheduled air passenger and cargo services. The mission of BNIA is to provide quality aviation services and facilities in a manner that enhances customer service and is cost effective.

In 2018, BNIA was ranked number one in overall customer satisfaction among all medium sized airports in North America according to a passenger survey conducted by J.D. Power & Associates.

In 2022, BNIA completed a multi-year terminal enhancement project to renovate and expand the baggage claim area to improve passenger traffic patterns, terminal access, and security. New construction included a 41,000 sq. ft. two-story addition on the east side of the terminal's main entrance and an 11,000 sq. ft. single-story addition on the west side. In addition, 39,000 sq. ft. of renovations were made to the previous baggage claim and security check point areas.

Seven scheduled airlines fly out of BNIA handling approximately 5 million passengers annually.

The 1,000 acres of airport property includes two runways (8,827 ft. and 7,161 ft. in length), an FAA Air Traffic Control Tower, Weather Observatory, Aviation Fuel System, General Aviation Facility, Transit Police Station, and an Aircraft Rescue and Firefighting (ARFF) facility.

The BNIA Passenger Terminal is a modern, comfortable facility equipped with 25 airline gate positions that includes 2 international gates. The terminal features an efficient security screening area, a state-of-the-art baggage handling system, and a variety of food, beverage, and retail offerings. The terminal is supported by conveniently located parking facilities that provide over 7,500 parking spaces and offer free shuttle services.

A state-of-the-art air cargo facility including 1,000,000 square feet of apron area is located on the airport complex. Two scheduled air freight forwarders based at the facility handle the majority of the 88 million pounds of yearly cargo.

BNIA enjoys the reputation of providing exemplary snow removal services known throughout the airline industry and was one of the first airports in the country to use an environmentally friendly glycol treatment system during winter operations.

#### PROGRAM AND SERVICE OBJECTIVES

- Achieve optimal standards of performance in relation to delivering high quality customer service and satisfaction.
- Operate first class public parking facilities in a manner which makes customer service the hallmark of the operation but still maximizes returns to the Authority.
- Increase the number of passengers utilizing BNIA by aggressively improving service to several key business markets and maintaining service and low air fares to key leisure markets.
- Maximize BNIA long term parking market share through sales and marketing to major local corporate travelers and contingent market radio advertising campaigns.
- Implement a long-range plan to maximize usage of the expanded terminal space.
- Support unit and snow equipment replacement program to ensure safe air carrier operations.
- Promote and facilitate a safe working environment for BNIA employees, with an effort toward minimizing employee injuries and reducing workers' compensation expense.

#### **NIAGARA FALLS INTERNATIONAL AIRPORT**

#### **DESCRIPTION**

Niagara Falls International Airport (NFIA) is a joint-use military/general aviation airport that provides commercial passenger and air cargo service.

NFIA, which is situated on 1,100 acres of property, has a 9,829-foot main runway as well as two general aviation runways (5,188 and 4,030 feet). A 72,480 square foot state-of-the-art terminal building was opened in December 2009. Spirit Airlines and Allegiant Air have been providing year-round scheduled air services for the past decade, handling approximately two hundred fifty thousand passengers annually (pre-pandemic). As of summer 2022, Spirit Airlines has not yet fully resumed year-round service after pausing flight operations in October 2020 due to COVID-19 industry impacts. There are nearly 2,000 parking spaces located on or near the terminal building grounds with free passenger shuttle service. In addition to the main terminal, NFIA has a general aviation complex consisting of hangars, tie downs, a customer service area and a pilot's lounge. A private Fixed Base Operator, FBO, offers full aviation services to the aviation public.

#### PROGRAM AND SERVICE OBJECTIVES

- Continue the aggressive marketing approach to capitalize on Air Cargo and Charter opportunities in the most cost-effective operating manner.
- Work closely with the FBO to assure the performance of contracted services.
- Continue to market the NFIA terminal to potential air service providers and concessionaires to provide quality customer service and improve operating profits.
- Continue to increase satisfaction and customer service and enhance public and customer perception of the airport.

### THE PROPERTY GROUP

#### **DESCRIPTION**

The Property Group serves as the designated provider of real estate services for the Authority. It functions as the negotiating entity for all real estate matters, with a primary objective to manage and develop NFTA-owned real property to optimize the generation of self-supporting discretionary revenue that supports our transportation centers while fostering economic growth through proficient property management. Simultaneously, the Group seeks to maintain and enhance the physical and financial integrity of Authority-owned properties, including buildings, grounds, and facilities. The NFTA Board of Commissioners acknowledges that the Property Group's activities significantly contribute to enhancing regional economic development potential.

#### **Property Management Department**

The Business Center currently manages a real estate portfolio comprising over 480,000 square feet of industrial warehouse distribution and associated office space, as well as over 200 acres of both developed and undeveloped land. This portfolio includes over 85 building space leases, ground leases, and occupancy or license agreements; additionally, it manages more than 14 miles of railroad rights of way, which contain over 80 separate pipe, cable, fiber, and ground leases. The Business Center is also responsible for setting rental rates and tenant fees and negotiating and drafting real estate agreements to attract new tenants and renew existing contracts.

#### **Real Estate Services**

The Real Estate Department is tasked with providing real estate services across all other NFTA divisions and Metro. This includes securing and analyzing real estate appraisals, negotiating leases for NFTA's and Metro's transportation operations' properties, soliciting Requests for Proposals or competitive sealed bids for disposing of Authority- or Metro-owned real estate, preparing net income analysis reports for real estate, and managing surplus transportation facilities.

#### **Land Planning & Development Department**

To optimize the value of NFTA's undeveloped land assets, this department oversees land planning and development initiatives. These efforts lay the financially robust groundwork to support further NFTA investment in supplementary properties.

#### PROGRAM GOALS AND OBJECTIVES

- Development of a 3-5-10 year Master Plan for guidance on future decision-making and planning for all NFTA-owned properties.
- 247 Cayuga Road: Attain occupancy of >90% by applying market trends with competitive market rates. Assess the leasing strategy and confirm the building's best use.
- 485 Cayuga Road: Attain occupancy of >90% through continued development and marketing of over 50,000 square feet of 2nd-floor available space.

#### KEY PERFORMANCE INDICATORS PROPERTY GROUP

|                                 | Financial Goals for FYE 2026 |

## INTERNAL AUDIT DEPARTMENT

#### **DESCRIPTION**

Internal Audit is an independent appraisal function established within the organization to examine and evaluate its activities. The Internal Audit department reports directly to the Board Audit, Governance and Finance Committee. This reporting relationship ensures departmental independence, promotes comprehensive audit coverage and assures adequate consideration of audit recommendations. Day to day administration is provided by the Executive Director.

The general responsibilities assigned to the internal auditors include evaluating, documenting and testing the NFTA's system of internal control and the reliability and operation of accounting and other reporting systems. The Internal Audit department checks for compliance with established policies, plans, procedures, governmental laws and regulations, and reviews the soundness and adequacy of the policies and procedures to accomplish their purpose at a reasonable cost. The Internal Audit department also verifies the existence of the Authority assets assuring proper safeguards are maintained, identifies opportunities for improved operational performance, coordinates the audit work with that of the external auditors, submits audit plans to the Audit, Governance and Finance Committee for review and evaluates specific programs and performs other special projects requested by management.

#### PROGRAM AND SERVICE OBJECTIVES

• The objective of Internal Audit is to assist members, activities, and functions of the organization to carry out their responsibilities efficiently and effectively. To this end, Internal Audit provides analysis, appraisals, recommendations, counsel and information concerning the activities reviewed.

## **TRANSIT POLICE**

## **DESCRIPTION**

The Transit Police department is responsible for the protection and safety of passengers, employees and property of the Authority. The department provides security, law enforcement and investigative services for all divisions of the NFTA and Metro.

TAPD also provides primary response and building security to MTC as well as all NFTA properties and equipment.

#### PROGRAM AND SERVICE OBJECTIVES

- Continue programs to provide a safe and secure system for all NFTA employees and the riding public at all NFTA facilities, Metro Bus, LRRT, and the airports.
- Continue mandated DCJS training programs to increase the level of performance and professionalism of the police force.
- Continue expansion of the Transit Resource Unit to assist in ensuring the safety of all commuters using the Metro Bus and LRRT system daily.
- Continue working toward NYS Law Enforcement Accreditation.
- Effectively interpret and implement all relevant required federal, state, and local laws and programs.
- Equip Officers to effectively de-escalate police calls and work to handle calls for service in an efficient manner. This includes standard-issue police equipment as well as situational training.

## **RISK MANAGEMENT**

#### **DESCRIPTION**

The Risk Management department is responsible for protecting the financial assets of the NFTA and NFT Metro against the adverse effects of accidental losses; establishment of Authority wide risk management programs and procedures; determining whether to maintain or transfer risk exposures via contracts.

The responsibility of the Risk Management department specifically includes the control, procurement, and specification requirements of all property and casualty insurance policies; identifying and analyzing exposures and selecting appropriate risk management techniques to handle exposures; planning what work must be done to protect the Authority by managing workers' compensation, claims, and communicating with senior management the progress of the risk management program.

#### PROGRAMS AND SERVICES OBJECTIVES

- Maintain continuous protection of the Authority assets through self-insurance or risk transfer via insurance policies.
- Forecast insurance costs and allocate costs to business centers on a cost of coverage basis so as to monitor annual insurance cost allocation to business centers and variances to budget.
- Evaluate the overall effectiveness of the risk management program and make changes where needed.
- Emphasize more loss control and coordinate with corporate safety to recommend training to decrease our frequency and severity of losses.
- Control and direct the Workers' Compensation Third Party Administrator, as well as the internal claim process.
- Process payments related to workers' compensation in conjunction with Third Party Administration (TPA) agreements.

- Review and maintain continuous insurance compliance protection under all leases, contracts and tenant agreements.
- Participate in the Authority wide safety program.

## **CLAIMS DEPARTMENT**

### DESCRIPTION

The overall responsibility of the Claims department is the prompt, thorough investigation, evaluation, and reasonable resolution of claims against the Authority. The department administers, under Risk Management and in coordination with NFTA Counsel, self-insured aspects of Authority operations, including Metro Bus/Rail, BNIA, NFIA and various properties, with the exception of workers' compensation. No-fault claims, including arbitrations, small and commercial court actions, personal injury and property damage claims, property damage recoveries, and lawsuits, in conjunction with Counsel, are handled from initial investigation through resolution. Additionally, the department maintains accident statistics, prepares monthly and yearly accident summaries, and serves as an investigative resource and assistant in court-related matters for other departments.

## PROGRAM AND SERVICE OBJECTIVES

- The primary objective is disposing of claims within budget.
- Continue development and refining of methods to track and evaluate accident data to facilitate reduction of accidents.
- Emphasize interdepartmental communication to increase organizational ability to reduce accidents.
- Continue refinement of methods by which other departments may access accident and cost information as necessary for their operations.
- Expedite investigation and recovery procedures by development of direct computer access to bus operational and mechanical data.
- Continue development and enactment of procedures for preservation of bus/rail video, digitalization of investigative and medical records of no-fault and litigated claims.
- Obtain training for current staff to keep up to date on issues effecting tort and no-fault claims

# GRANTS AND DEVELOPMENT DEPARTMENT DESCRIPTION

The Grants and Development Department manages transit-oriented development public-private partnerships and all phases of the NFTA's grant processes.

The Department scopes, solicits, negotiates, manages, and reports on public-private partnerships for transit-oriented development projects with the goal of increasing transit ridership, generating revenue, improving equitable outcomes, and the overall quality of life in the region. The Department also works closely with federal, state, and local government entities to align and satisfy regulatory processes in support transit-oriented development.

The Department advocates for, identifies, secures, programs and manages Federal Transit Administration, Federal Aviation Administration and other public and private-sector funding in cooperation with NFTA business centers and external project partners to meet ongoing capital and operating needs of the Authority and improve transportation and the quality of life in the region.

#### PROGRAM AND SERVICE OBJECTIVES

The functions of the department include:

- Prepare and execute on a transit-oriented development strategy for the region
- Collaborate with external agencies and internal departments to identify funding sources and fundable projects to support organizational and regional strategies.
- Prepare and submit grant applications.
- Assure project management compliance with grantor rules, regulations, and grant closeout requirements.

- Communicate with funding and other partners on project status and funding information in a timely and accurate manner.
- Administer NFTA funding through regional project planning.

#### PERFORMANCE MEASUREMENTS

- Transit-oriented development public-private partnerships for development.
- Grants submitted.
- Grants awarded.
- Funds received to permit project implementation within budget, timeframe, and to maintain NFTA cash position.
- Favorable grant management review and audit findings.

## EQUAL EMPLOYMENT OPPORTUNITY/DIVERSITY DEVELOPMENT BRANCH

#### **DESCRIPTION**

The Niagara Frontier Transportation Authority is committed to ensuring that all persons who are employed, seeking employment, or those individuals who are seeking contracts with the NFTA, are afforded equal opportunities.

The Equal Opportunity / Diversity Development branch is responsible for planning, developing, implementing and evaluating the Authority's Affirmative Action / Equal Employment Opportunity Programs. The department also administers the Disadvantaged Business Enterprise Program (DBE) in compliance with 49 CFR Part 23 and 26, Sub Part D, FTA Circulars 11.55.1, 1160.1, Executive Order 11246 and Affirmative Action Programs as required under Title VI of the Civil Rights Act of 1964. The department is also responsible for Authority-wide compliance with the Americans with Disabilities Act of 1990.

#### PROGRAM AND SERVICE OBJECTIVES

- Administer the Disadvantaged Business Enterprise (DBE) Certification Program and the Equal Employment Opportunity (EEO) Program.
- Monitor contracts for compliance with all federal and state requirements.
- As required, reports are filed with the Federal Aviation Administration and Federal Transit Administration.
- Provide branch managers and department heads with information pertaining to civil rights compliance.
- Monitor hiring and promotional activity to ensure that minorities and women are represented in all job groups.
- Investigate and resolve complaints of discrimination filed by employees of the NFTA and NFT Metro.
- Investigate and resolve Title VI Complaints.

- Conduct civil rights, sexual harassment and Americans with Disabilities Act training classes.
- Provide fixed route mobility training per request.
- Ensure Authority-wide compliance with ADA of 1990 employment, facility and transportation service requirements.
- Serve as liaison with the disabled community via the Advisory Committee on the Disabled.

#### **GENERAL COUNSEL**

#### **DESCRIPTION**

The office of General Counsel provides and/or administers all legal services for the NFTA and NFTM on civil and administrative matters. This includes representation of the NFTA and NFTM in negligence claims, negotiations with and proceedings involving state and federal agencies, arbitrations involving collective bargaining agreements or employee grievances, professional negligence, tort and contract claims, condemnation and relocation proceedings, negotiation of collective bargaining agreements, preparation of leases, releases, use and operating agreements, settlements and memoranda of understanding.

The office of General Counsel provides advice, opinions and counsel to the Board of Commissioners, the Executive Director, business center managers and staff on matters concerning labor and employment relations, environmental compliance and litigation, landlord-tenant and real property transactions, procurement and contracting issues, suretyship, risk management and insurance, municipal bonds and finance, secured transactions, commercial relationships, and corporate and legislative concerns.

Under the direction of the General Counsel, staff attorneys appear in state and federal trial and appellate courts and before arbitration panels and administrative agencies such as the New York State Department of Labor, the U.S. Environmental Protection Agency, the New York State Department of Transportation, and the Federal Transit Administration. General Counsel attorneys draft proposed agency rules and administrative procedures and pursue enforcement and collection of judgments for fare evasions and parking violations. Staff personnel manage the board agenda, prepare resolutions for consideration by the Board of Commissioners and assist and provide guidance to user departments and business centers on procurement and various other matters impacting the day-to-day and long-range operations of NFTA and Metro. The General Counsel also oversees the functions of the Procurement Department, Administrative Services, and the Records Access Officer.

#### PROGRAM AND SERVICE OBJECTIVES

- To provide thorough, timely and effective legal counsel to Authority management, its commissioners and officers.
- To effectively represent the Authority in all disputes, claims, litigation, and administrative proceedings.
- To continue preparation and updating of legal agreements consistent with federal and state requirements and as necessary to support Authority objectives.
- To effectively use outside legal services within budgeted allocations.
- To regularly review pending litigation files and determine reasonable settlement/reserve values.
- To provide contract administration services and guidance to the procurement and user departments involved in specialized procurements.
- To assist management in the updating, promulgation and implementation of various operational guidelines for procurement consistent with the needs of user departments, state and federal funding participants and applicable law.
- To provide legal advice and services to facilitate the acquisition of real property as required to implement project undertakings of the Authority.

#### **PROCUREMENT**

#### DESCRIPTION

The Procurement department supports the operation of the NFTA by procuring materials, parts, supplies, equipment, utilities and services in accordance with NFTA Policies and Procedures.

#### PROGRAM AND SERVICE OBJECTIVES

- To procure goods and services cost effectively in keeping with the Procurement Guidelines, Federal and State requirements, budgetary limits, and departmental requirements.
- To ensure the integrity of the procurement process and to support new standards for materials, equipment and supplies.
- Improve service to customers at all facilities.
- Solicit MWBE and SDVOB participation in procurements. Assist SDVOB's, MBE's, WBE's and other small businesses to maximize opportunities in their participation in NFTA procurements.
- Issue purchase orders upon receipt of approved purchase requisitions.
- Enhance the competitive bidding process.
- Reduce the number of small dollar purchase orders processed via the increased use of the purchasing card.

#### **ENGINEERING, PROPERTY, AND FACILITIES**

#### **DESCRIPTION**

The Department is responsible for the management and administration of the Engineering, Property, and Facilities Branch. The Branch includes the Design, Construction, Property, and Facilities Management & Maintenance. The department interacts with other support service branches to ensure consistency with the goals and objectives of the NFTA Business Centers.

The Engineering Department consists of the Design and Construction Departments. They provide for the implementation of capital projects designated by the Business Centers.

In addition, the Engineering Branch has responsibility for the following departments:

<u>Facilities Maintenance Department (FMD):</u> This department provides maintenance and repair services for NFTA facilities consistent with the goals and objectives of the Business Centers. The scope of maintenance and repair responsibility includes: plumbing, painting, electrical, HVAC, etc. authority wide. The FMD is also responsible for the maintenance of approximately 300 bus shelters.

<u>Property</u>: This department provides property management, real estate, and land planning and development services for the NFTA.

<u>Facilities:</u> This department provides management and maintenance services for various NFTA facilities - transportation centers, 1404 Main Street, OCC, 485 Cayuga, and 247 Cayuga.

#### PROGRAM AND SERVICE OBJECTIVES

- Provide cost effective project management including engineering design, design support, construction monitoring, and inspection.
- Manage the Property Department, including property leases, real estate services, and land planning.
- Manage the Facilities Maintenance Department (FMD) to provide maintenance and repair services to NFTA facilities consistent with the goals and objectives of the Business Centers.
- Manage the Facilities Department services for the transportation centers and various other NFTA facilities to provide functional, safe, and clean facilities.
- Manage the Rail-Facilities Department services for the LRRT mall and underground stations to provide functional, safe, and clean stations.
- Implement the NFIA Airport Improvement Program projects.
- Implement the BNIA Airport Improvement Program projects.
- Implement Metro and LRRT Capital Program.
- Implement Property Capital Program.
- Support the NFTA's 10-year strategic plan.

#### **DESIGN DEPARTMENT**

#### **DESCRIPTION**

The Design Department provides and manages design development of capital projects and studies consistent with the goals and objectives of the NFTA Business Centers. The services include the establishment of NFTA design objectives, criteria, and standards, ensuring that project designs comply with building code regulations, and development of project scopes and budgets. In addition, the department prepares cost estimates, capital and planning budgets, reports, and studies.

The department also reviews and approves, requests for tenant modifications, and private development plans and specifications.

The Design Department is instrumental in the development of the Authority-wide Five-Year Capital Plan, FAA Airport Improvement Programs, FTA & FAA quarterly reports, and FTA semi-annual project reviews. Examples of capital projects in design this year are: Division Street Bus Stop Canopy, DL&W 2<sup>nd</sup> floor development, DL&W Shoreline Rehabilitation, BNIA Snow Removal Equipment Building, and BNIA Circulatory Road Rehabilitation.

Other services provided include technical advice and information to Business Center staff for non-capital and maintenance work.

#### PROGRAM AND SERVICE OBJECTIVES

- Initiate implementation of capital projects in a safe, cost conscience, and time effective manner.
- Management of design projects to comply with grantor requirements which results in cost reimbursement from the appropriate funding agencies.
- Each capital project is assigned an implementation schedule with milestone dates and cashflow projections. The actual costs, cashflows, and milestone dates are monitored to assess overall performance of consultants and contractors.
- Coordinate & track building permit processing with the construction permitting agency.
- Support the NFTA's 10-year strategic plan.
- Provide subject matter expertise; electrical, mechanical, civil/structural and architectural.

#### **CONSTRUCTION DEPARTMENT**

#### DESCRIPTION

The Construction Department is responsible for construction management of all capital improvement projects. The department ensures that projects are constructed and completed within budget and schedule consistent with the goals and objectives of the NFTA Business Centers. The primary purpose of the department is to ensure compliance with contract documents and full reimbursement of all grant eligible.

Liaison with federal and state funding agencies and various other jurisdictional agencies and public and private utilities, Authority tenants, and adjacent property and business owners is required.

The department also provides coordination between contractors and all other Authority support service branches including assisting with implementation of projects such as BNIA Taxiway 'A' Pavement Rehabilitation, BNIA Passenger Boarding Bridge Replacements and DL&W Station.

Other services provided include management of non-capital work such as airport pavement maintenance (APM) projects and technical support to airport operations and maintenance.

#### PROGRAM AND SERVICE OBJECTIVES

- Provide cost effective construction monitoring/management services consistent with the requirements of the Business Centers (i.e., scope, budget, schedule, and coordination).
- Ensure contract compliance and monitor project quality control.
- Management of construction projects to comply with grantor requirements which results in cost reimbursement from the appropriate funding agencies.
- Coordinate & track Code Compliance Certificate processing with the construction permitting agency.
- Support the NFTA's 10-year strategic plan.

#### **INFORMATION TECHNOLOGY SERVICES**

#### **DESCRIPTION**

The mission of ITS is to provide the NFTA, its branch operations and business centers with technology leadership and support. The goal of the ITS department is to improve organizational productivity and performance through modernization and consolidation of existing resources while expanding services.

#### PROGRAM AND SERVICE OBJECTIVES

- Modernize and improve our systems and infrastructure while securing the enterprise from a growing number of threats and meet new government requirements.
- Replace our Enterprise Resource Planning and Enterprise Asset Management System with newer supported platforms.
- Support and maintain business area applications like Trapeze, OrbCAD, etc.
- Consolidation of IT services across the enterprise to better use resources and lower costs.
- Increase reliability through redundancy and disaster planning.
- Secure the enterprise by moving towards NIST 800-53 certification.
- Work with vendors to understand and introduce new technology to the organization.
- Provide and maintain a secure stable Network Infrastructure
- Continue to develop ITS policy and procedures to effectively manage the Authority's ITS resources.
- Facilitate communication between the business application users and vendors to allow for continuous improvement.
- Provide user support through training, maintenance, problem determination and resolution, and other services as needed.

Successfully support user help calls directly or through other (vendors, education, etc.) resources.

#### **HEALTH, SAFETY AND ENVIRONMENTAL QUALITY**

#### DESCRIPTION

The mission of the Department of Health, Safety, Environmental Quality is to implement compliance programs, policies, and procedures that verify that a comprehensive safety, health, and environmentally compliant system exists throughout the Authority, which enhances safe, secure and reliable services through the implementation of best management practices.

#### SYSTEM SAFETY

The **system safety** branch of the department has two primary areas of oversight responsibility. The system safety approach is a combination of both health, safety, and industrial hygiene principles, which focuses on identifying unsafe conditions that adversely affect the safety of staff and operations throughout the Authority and the area we serve.

As a public transportation provider, safety is incorporated into all phases of the organization. The end product of the employee safety component is the safety and security of our employees.

#### **SECURITY**

The **security** section of the department is responsible for systems Security Program Plan for the NFTA. This includes vulnerability assessments to identify the degree of vulnerability and the appropriate countermeasures needed to provide the necessary levels of protection.

This group also monitors compliance with applicable transportation security policies, directives, regulations and agreements and acts as the Authority's liaison with local, state and federal law enforcement and emergency management agencies.

#### **ENVIRONMENTAL**

The **environmental section's** main area of concentration ensures operational oversight for environmental compliance. This departmental section also ensures that sound environmental practices are observed and encourages open communication with employees, customers and the public regarding the NFTA's environmental program.

#### DEPARTMENTAL GUIDING PRINCIPLES

- HSEQ is committed to reducing and mitigating safety and environmental hazards in the work place that contribute lost time injuries, accidents, and pollution to the environment.
- HSEQ is focused on system security and will continue to identify vulnerabilities and develop effective measures and controls to eliminate intentional threats.

#### **FYE26 SERVICE OBJECTIVES**

#### Ensure HSEQ Compliance

- Implement a comprehensive Environmental Management system to develop organizational consistency and compliance in the environmental arena.
- Continue implementation of Hazard Management program throughout all business centers.
- Update and review all written safety and environmental programs to ensure compliance with regulatory requirements and best management practices

#### Provide Value

- Continue to issue Safety Bulletins and the Home Safety Tips targeted at work place injury prevention and accident reduction.
- Issue quarterly report to Management Team and business centers on corporate safety and environmental performance.
- Provide tools that can be used at the Operational level to target improved safety performance

#### Injury Prevention/Reduction

- Analyzing injury trend and severity data and develop corrective action plans for prevention.
- Continue to conduct injury investigations and provide business centers with tools for injury prevention and reduction.

#### Sustainability:

• Further NFTA's Go Green Initiatives by establishing sustainability goals based on the corporate goals and objectives of each business center.

#### **PUBLIC AFFAIRS**

#### **DESCRIPTION**

The Public Affairs Department provides strategic direction and implementation for all internal, external communications and marketing. This strategy is aimed at increasing public understanding, interest, awareness and support of the NFTA's organizational objectives and achievements. The Department also provides Marketing strategic development with the objective of revenue generation. The Director of Public Affairs acts as the Public Information Officer for the authority. Public Affairs is responsible for the dissemination of pertinent, timely and vital information to the media, the community and within the authority. This is accomplished by working with members of the media for various requests for interviews and information. We also provide proactive earned media through communication campaigns to increase the awareness of the NFTA's public transportation services, generate revenues, promote a positive corporate image and by posting the authority's electronic informational news stories online for employees and community stakeholders.

The department identifies tactics, which elevate the profile and reputation of the NFTA. Public Affairs works with various departments to achieve business goals and objectives, which include, but are not limited to increasing positive publicity, social media enhancement, employee recruitment, education around new projects. The team is also responsible for the development and execution for a crisis communication plan.

The public affairs department is responsible for the preparation, design and production of all collateral and marketing support materials used by various departments within the NFTA. The in-house print and sign departments produce most of the materials and aids in the production of signage used throughout the authority. Most signage work involves bus stop additions, vehicle detailing, bus shelter advertising, Metro Rail station signage, replacements and modifications. The print department produces all the Metro bus schedules, among other numerous support materials. The public affairs department also coordinates Metro's College/University Unlimited Ride program and provides critical communications support for the Authority's key initiatives.

#### PROGRAM AND SERVICE OBJECTIVES

- Develop, manage, organize, and implement the NFTA's community communication and marketing efforts to effectively achieve strategic goals.
- Manages Bus and Rail advertising that provides critical funding for NFTA-Metro.
- Proactively reach out to media outlets to promote various NFTA community efforts and business initiatives and new services.
- Provide best in class responsive and transparent media relations that positions the authority in a favorable light to the public.
- Prepare and develop digital communication strategy to best position the NFTA for the future.
- Provide communication/marketing strategy and services to all business centers within the authority.
- Prepare and produce all Metro timetables, route maps, updating service information with quarterly changes.
- Maintain a consistent identity and brand for the NFTA.
- Continue to improve the effectiveness of the public relations and community programs using established public relations practices and techniques.
- Gain support from the Buffalo Niagara region for NFTA's public transportation initiatives through participation in various community events and activities.
- Communicate NFTA operational policies and changes.
- Created and manage NFTA's in-house online extranet, "Elements" as a means of informing NFTA associates, community stakeholders and the region in general about happenings within the authority.
- Manage and update the NFTA's various websites.
- Coordinate the live broadcast of authority meetings to the public via the Internet.

#### **HUMAN RESOURCES**

#### **DESCRIPTION**

The branch is responsible for developing integrated human resource programs that provide cost effective benefits, effective and diversified staffing, positive employee climate, training opportunities, and compensation programs that motivate and reward performance. Provides services related to labor relations including negotiating collective bargaining agreements, investigating and resolving grievances, participating in arbitrations, PERB and other legal proceedings, and coordinating and participating in all labor-management activities. Administers programs in conjunction with Federal Regulations governing drug and alcohol testing, and medical certification in accordance with Motor Vehicle and Traffic Laws.

#### PROGRAM AND SERVICE OBJECTIVES

- Implement programs/initiatives that provide cost effective benefits, effective staffing, personnel development, diversity and training.
- Develop positive union/management relationships that encourage mutual respect and common approaches to labor and business issues.
- Successfully conclude labor contract negotiations within established bargaining parameters and in a timely manner.
- Review existing benefit plans for effectiveness and appropriate cost/benefit relationships.
- Develop and obtain Board approval on bargaining strategy for contract negotiations.
- Develop with business directors, organization plans that minimize costs while upgrading talent by promotion, replacement and external recruiting.

#### KEY PERFORMANCE INDICATORS

#### **CHIEF FINANCIAL OFFICER**

#### **DESCRIPTION**

The Chief Financial Officer reports to the Board of Commissioners with functional responsibility to the Executive Director and is a member of the Executive Director's Management Team. The Finance and Administration Branch functions as the chief administrator and advisor on all financial matters, (Financial Planning and Analysis, Cash Management, and Accounting departments.)

The Chief Financial Officer is responsible for the strategic financial plan of the authority and the branch is responsible for compliance with all state and federal standards and regulations related to financial and control matters. The Chief Financial Officer and branch management works with the management team to develop innovative cost containment measures and revenue enhancements.

#### PROGRAM AND SERVICE OBJECTIVES

- Provide thorough, timely and effective financial information and guidance to authority management, its Commissioners and Officers, and as required, to funding agencies.
- Effectively interpret and implement all required financial procedures as determined by external controlling agencies.
- Regularly review and advise the authority of pending changes in the financial arena that will impact on the performance of the authority.
- Develop financing and cash management techniques that will more effectively maximize our working capital position.

#### FINANCIAL PLANNING AND ANALYSIS

#### **DESCRIPTION**

The Financial Planning and Analysis (FP&A) department is responsible for the preparation, implementation and monitoring of the annual operating and capital budget. This process is intended to recognize and allocate all available resources to our transportation service providers and their support units in the best possible manner to allow the Authority to complete its mission. The annual operating budget becomes the financial plan for the Authority. The Financial Planning and Analysis department is also responsible for the five-year operating and capital plan. This document, as required by New York State, is utilized as a long-term strategic tool in allocating resources to the various business and support units. The department also performs financial analysis in support of business decisions for management, and also assists in efforts to achieve and maintain fiscal stability.

#### PROGRAM AND SERVICE OBJECTIVES

- Prepare the annual operating and capital budgets for all business centers and support units.
- Prepare the five-year operating and capital plan for all business centers and support units.
- Implement, monitor, and analyze balanced adopted budgets throughout the fiscal year.
- Provide the board of commissioners, Executive Director, and general managers with accurate financial and budget performance data on fiscal issues and recommend appropriate action.
- Assist transportation service providers in developing performance indicators to link the operating budget to services provided.
- Provide detailed analysis in development of the Buffalo Niagara Airport rates & charges.

#### **ACCOUNTING SERVICES DEPARTMENT**

#### DESCRIPTION

The Accounting Services department is responsible for maintenance and control of the general ledger and supporting systems, establishment of NFTA accounting policies and procedures, recommendations on financial techniques to improve management understanding and preparation of all financial reports of the NFTA including NFT Metro in accordance with Generally Accepted Accounting Principles.

The responsibilities of Accounting Services specifically include the control of accounts receivable, accounts payable, fixed assets, payroll processing, application for grant reimbursements, preparation of reporting requirements for federal, state and local governmental funding agencies, and the preparation of financial information with a management orientation that will improve financial understanding.

#### PROGRAM AND SERVICE OBJECTIVES

- To process and account for all financial transactions through reconciliation of the general ledger accounts, and assure such transactions are in accordance with Generally Accepted Accounting Principles.
- To prepare interim, annual and comprehensive financial statements for federal, state and local governmental authorities and funding agencies as required.
- To develop and provide timely, concise, accurate and effective accounting reports to the Board of Commissioners, Executive Director, and general managers for internal analysis and control.
- To review the MIS accounting systems and make recommendations for enhancements and changes to ensure they adequately support the objectives of Accounting Services.
- To develop ongoing financial training methods.

#### **CASH MANAGEMENT DEPARTMENT**

#### **MISSION STATEMENT**

The Cash Management department is responsible for all treasury functions, with NFTA/NFTM including short-term investments, sale of fare media, transfers of funds, banking relationships and cash flow projections.

#### **DESCRIPTION**

The Cash Management department reports to the Chief Financial Officer regarding the security of all revenue received, placement of all investments, timely collection of operating assistance, management of BNIA bond funds, negotiation of banking agreements, and management of Metro fare media. The department also coordinates with other departments to facilitate a consistent method of handling cash and bank deposits, distributes payroll and general account checks for NFTA/NFT Metro, reconciles Metro payroll and all NFTA accounts, administers all transportation pass programs, controls both NFT Metro pension plans, controls and accounts for all NFTA and NFT Metro cash, supervises the NFT Metro money center, monitors bus loop lease agreements, audits and remits commissions for various vending agreements and processes various federal, state and county reports.

#### PROGRAM AND SERVICE OBJECTIVES

- Prepare projected cash flows for NFTA and NFT Metro.
- Investigate any new legislation pertinent to investment policies, procedures, and guidelines in accordance with New York State Public Authority Law.
- Report status of all Operating Assistance to Chief Financial Officer.
- Develop and implement training of treasury management throughout the Authority.
