

The 14 Abbott and 16 South Park are changing north of downtown

Starting March 8, 2020, the 14 Abbott and 16 South Park will run on Genesee Street and Michigan Ave in both directions. Inbound (northbound) buses still serve Carlton St. Outbound (southbound) buses serve High St.

This route change is in response to requests from Fruit Belt residents for bus service on Michigan Ave. In addition, it will help people access jobs and medical appointments on High Street.
